articles

2 The distinctive contribution of counselling/ psychotherapy to health and healthcare in Britain

Read John Eatock and April Russello's assessment

4 Being heard through research

Research is an important channel for the voice of counselling. Sara Perren played a key role in setting up a study at Gillygate practice in York which benefited client referral processes and facilitated much closer interprofessional working relationships

7 Learn the language of the NHS

Learning this 'language' is the most sure-fire way to engage with colleagues and earn their respect, says Maggie Pettifer

8 Working in healthcare – what FHCP members say

Remuneration, employment trends, member satisfaction and others' perceptions of counselling were explored in this recent survey of FHCP members

11 Talking therapy with those unable to talk

Few counsellors have worked with those clients denied the power of speech. Liz Arbiser works in a busy orthopaedic hospital and describes the issues this work raises

14 FHCP/BACP News

15 Life's a beach and then you dive

More about working with those clients unable to voice their words from Pam Hitchins, who tells the story of Dave – a client with motor neurone disease

22 Ann's story: an experience of therapy, part 2

Following on from the April issue, Ann (Gillian's ex-client) describes their therapy relationship and the way it changed her life

26 Staff support in a busy NHS hospital Trust

Peter Walters describes his work within the Occupational Health Nursing team at the Royal United Hospital in Bath, how the service is presented to clients and how they make use of it

28 The threat to primary care counselling

Isabel Gibbard voices her concern that trainees on placements, and voluntary counsellors, may be undermining the future of counselling in primary care

30 Update on Agenda for Change

31 Satisfactory endings in therapeutic relationships, part 2

Susie Lendrum continues her article on endings and explores more difficult endings in the therapy relationship

36 Scotland

The work of ECLIPSE is described

38 Wales

News about the Welsh Mental Health Network

41 Last Word

Carol Ann Wright describes how counsellor training impacts on the counsellor's family relationships and friendships

44 Book Reviews

47 Notices
